

Beacon Arts is proud to present the Beacon Hill Merchants Association's Beacon Art WalkAbout!

This all volunteer event creates an opportunity for local and emerging artists and performers to shine in local businesses. We are grateful to our sponsors and Beacon Development Group and PacMed, as well as our many partners and volunteers who make it all happen.

Explore Art in 30 Venues and many musicians, live painters and performers along the way. Please support the Local Businesses who are hosting art and music!

World Dance Party (WDP) is a fun party designed to get neighbors to interact and to celebrate culture and diversity. Everyone from all backgrounds and ages is welcome. Several multicultural dances are taught by volunteer instructors in 20-minute mini-lessons, then everyone dances. That's it. There's no other agenda. No lectures. Just dancing and community. Check it out at Stevens Place Park from 2-6pm.

Shop for your own masterpiece in our Art Market. Jewelry, ceramics, photography and more.

Create your artwork with the Seattle Public Library, Pratt Fine Arts, and Present Day Tarot.

Join us at the end of the day in the **Back Patio** behind El Quetzal & Victoria to enjoy the groove of local musicians from 5-9pm!

Be an event photographer and text your photos 402-401-4ART(4278) to see them on our Facebook page.
